We Creative industries are Pakistan Germany joint ventured company based in Sialkot-Pakistan. All of our manufacturing processes are in according to German manufacturing techniques and knowledge.

Technical drawings and go/no gauges are used for each instrument to ensure same quality of instruments in every shipment. This institute is conceiving under the leadership of Mr. Arsalan. He believes in innovation incorporated with precision and accuracy.

We train our workers and provide them with the best amenities, because every member of our team matters to us as each instrument forging and finishing is our priority Our goal is to help our clients, world class surgical & dental products that give them control and confidence to perform their best. Design products that result in zero environmental impact.

A team of professional experts joined hands to form Creative Industries with the sole aim to export high Quality Surgical, Dental, Orthodontic Instruments, and Implants under the banner of Creative Industries.
